

# CALL FOR PAPERS

**ICEI 2018**  
**Jun 03-04, 2018**  
**New York, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEI 2018 : 20th International Conference on E-Infrastructure is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of E-Infrastructure. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

E-infrastructure  
Digital infrastructures  
Computer systems and  
Digital technologies  
Future digital  
Digital infrastructure

Information and
