

CALL FOR PAPERS

ICCAPDET 2018
Sep 17-18, 2018
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAPDET 2018 : 20th International Conference on Computer-Aided Product Design, Engineering and Technology is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Computer-Aided Product Design, Engineering and Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Computer-aided product
Software selection for
Product design
Computer-aided modeling
Virtual design and design
Characteristics and
Foundational theories,
Geometric and topological
Structural, material and

Virtual reality and
Advanced support of
User interfaces, system
Knowledge-intensive
Design databases,
Product modeling and
Specific applications and
Emergent issues of
Uncertainty and
