

CALL FOR PAPERS

ICIBEM 2018
Sep 13-14, 2018
Zurich, Switzerland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIBEM 2018 : 20th International Conference on Inquiry-Based Education Methodology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Inquiry-Based Education Methodology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Inquiry-based education
